**Motivation:**

Why do you want to be involved in a missions trip this summer?

*[We are not looking for an exhaustive list just write in the space provided]*

**Testimony:**

Write a brief testimony of how you came to know Christ.

What is the most significant area of growth in your life currently?

**Self Description:**

What are your greatest strengths?

What are your weaknesses?

How would you describe your temperament/personality?

**Commitment:**

If accepted to this team I agree to the following:

1. To attend all meetings and training sessions.
2. To complete all scheduling requirements (i.e. Release forms, support letters sent out on time, personal prayer team set up, follow-up and thank you notes for support, etc.)
3. Submit to all authorities of LGPC staff, missionaries and national pastors/workers during the field experience.
4. To at no time on the trip use any tobacco, alcohol, drugs, etc. A choice to abuse these substances is a choice to go home early. This is a 24 hour/7 days a week policy. No time is an ok time to participate in these activities.
